Represented by: Ahsan Arif, Owner

(hereinafter "the Client")

1. Purpose

The Client engages the Service Provider to design and develop a website for Pak Tribal Furniture, to provide ongoing monthly website maintenance after launch, and to provide monthly social media management, as set out in Clause 2 below.

2. Scope of Services

2.1 Website Development (one-time)

- Responsive, mobile-friendly website design (mobile, tablet, desktop).
- Home page, About page, and Contact page.
- Furniture product catalogue with category pages (up to [40] products loaded by the Service Provider).
- Product enquiry and WhatsApp ordering buttons, so orders reach the Client by email and WhatsApp for manual confirmation.
- Basic on-page SEO (page titles, descriptions, sitemap) and Google Analytics setup.
- Up to two (2) rounds of design revisions.

Online payment gateway integration, inventory / stock management, customer login accounts, and a mobile application are not included in this fee and are available as a separate quotation if required later.

2.2 Monthly Website Maintenance

- Uptime and security monitoring.
- Software and plugin updates, and regular backups.
- Bug fixes for defects in the delivered website.
- Minor content updates — up to [4] small edits per month (text, images, prices).

Maintenance begins the month the website goes live and is billed monthly in advance.

2.3 Social Media Management (monthly retainer)

- Platforms managed: Facebook and Instagram.
- Posting three (3) days per week on both platforms, including captions and hashtags.
- A monthly content calendar shared with the Client in advance for approval.
- Scheduling and publishing of approved content.
- One monthly performance report.

Paid advertising spend, if the Client chooses to run ads, is paid directly by the Client and is not included in this fee. The Service Provider does not guarantee any specific level of followers, reach, or sales, as this depends on platform algorithms outside the Service Provider's control.

3. Client Responsibilities

- Supply the product list (names, categories, prices, stock status), product photographs, logo, and brand colours.
- Supply business details: address, phone, WhatsApp number, and opening hours.
- Provide feedback on each revision round within three (3) days, so the two-week delivery in Clause 5 can be met.
- Approve the monthly social media content calendar before the publishing period begins.
- Warrant that all products shown, and all information supplied, are lawful, accurate, and do not infringe any third party's rights.

4. Fees and Payment

4.1 The one-time fee for the Website Development described in Clause 2.1 is PKR 85,000 (Pakistani Rupees Eighty-Five Thousand only), payable as follows:

MUSME

(PRIVATE) LIMITED

Milestone	Percentage	Amount
Advance — before work begins	50%	PKR 42,500
Balance — on delivery / launch	50%	PKR 42,500

4.2 Monthly Website Maintenance (Clause 2.2) is charged at PKR 6,000 per month, invoiced in advance, starting from the month of launch.

4.3 Social Media Management (Clause 2.3) is charged at PKR 18,000 per month, payable one hundred percent (100%) in advance before the month's content calendar and publishing begin.

4.4 Domain and hosting are purchased on the Client's behalf and billed at actual cost: domain registration for three (3) years at PKR 10,056, and web hosting for one (1) year at PKR 11,000. These are charged in full with the first invoice, are non-refundable once purchased, and renew at the provider's prevailing rate. Both accounts are registered in the Client's name.

4.5 Invoices are payable within seven (7) days of the invoice date. The Service Provider may pause work and social media publishing on any invoice unpaid beyond fourteen (14) days. The advance payment in Clause 4.1 is non-refundable once work has begun.

4.6 All amounts are exclusive of applicable taxes, which the Client shall bear. Payment is deemed received only once funds are credited to the Service Provider's account.

5. Timeline

Work begins once (a) this Agreement is signed and (b) the advance in Clause 4.1, together with the domain and hosting costs in Clause 4.4, is received. From that start date, the website is delivered within two (2) weeks - currently targeted for 1 September 2026. Delay in Client feedback or materials extends the timeline by the length of the delay.

6. Ownership

On receipt of full payment, the Client owns the final website design, content, and product data delivered under this Agreement, and the domain and hosting accounts are registered in the Client's name. The Service Provider retains ownership of its own pre-existing code, templates, and tools, and may display the completed work in its portfolio unless the Client withdraws this permission in writing.

7. Confidentiality

MUSME

(PRIVATE) LIMITED

Each Party shall keep confidential all non-public business information received from the other including pricing, supplier details, and account credentials and shall use it only for the purposes of this Agreement, both during and after this engagement.

8. Warranty and Liability

The Service Provider will perform the services with reasonable skill and care, but does not guarantee uninterrupted operation, a specific search ranking, or a specific sales or engagement outcome. Neither Party is liable for indirect or consequential loss. The Service Provider's total liability under this Agreement is limited to the fees actually paid by the Client in the three (3) months preceding a claim.

9. Termination

Either Party may terminate this Agreement, or the monthly services in Clauses 2.2 and 2.3, with fifteen (15) days' written notice. On termination, the Client pays for all work completed to that date; the advance payment is non-refundable, domain and hosting costs already incurred are not refunded, and fees for the current paid month are not refunded.

10. General

This Agreement, together with any written change agreed by both Parties, is the entire understanding between them and supersedes prior discussions. It is governed by the laws of Pakistan. No amendment is effective unless in writing and signed by both Parties. This Agreement may be signed in counterparts, including by scanned or electronic signature.

The Parties confirm they have read, understood, and agreed to this Agreement.
